- Status changed from /Remains to /New
- Assignee changed from Zhou Yanan to
- Priority changed from Medium to High
- FlightPhase changed from Taxing to N/A

#2 - 05/20/2025 02:48 PM -

- Status changed from /New to /InProgress

#3 - 05/21/2025 02:07 PM -

When FIX INFO were set ON MCDU, flight plan save function had an error which trigger scheduler failed.
And this error has been fixed, a new version need to be installed.

#4 - 05/21/2025 02:10 PM -

But after load the flight plan, it not contain FIX INFO data, so I think FMS not save the FIX INFO for flight plan data.
I have contact Thales to confirm this issue, and try to negotiate whether there is a solution to this issue.
